Daly City Improvements Go On Ballot Tuesday

CORNERSTONE IS TO BE LAID FOR HI SCHOOL GYM

Rush Construction Work On New Building--Completion Is Expected By Late Fall

Pioneers dreamed, progressive citizens worked and now we possess. That is the story which is soon to reach its climax on the spacious, well laid out campus of Jefferson Union High School.

At 2 o'clock Sunday afternoon (May 23) the cornerstone of the gymnasium will be laid. The high school band and a capella choir will participate in the program. Dr. Walter Dexter, state superintendent of schools, will be present as guest speaker.

AUTO PARADE IS SCHEDULED FOR BOND PUBLICITY

Daly City Band, Local Fire Equipment And Eagles Drum Corps To Join

To stage an automobile parade throughout Daly City on Monday evening of next week is one of the main features planned by the Daly City Improvement Association to stimulate interest for the improvement bond election to be held the following day, Tuesday, May 25. The Daly City Band, Eagles Drum Corps, local fire equipment and other special entries will be made in the long train of cars.

Circulars, newspaper publicity, speaking engagements and theater advertising are being used to acquaint local residents with the proposed improvements. On Tuesday evening of next week a free band concert will be given at the city hall and bond votes which have been cast during the day will be tabulated by courtesy of the Daly City Record.

ANNIVERSARY

This year marks the twentieth anniversary of the founding of the San Mateo County Chapter of the American Red Cross. In honor of this anniversary, an informal party will be held at the Chapter House, 224 Promrose road, Burlingame, Tuesday of next week, from 2 to 5 o'clock in the afternoon.

The ladies who worked in the Red Cross room in Daly City during the war are invited.

Federal And State Grants Available In Sum Of Nearly Half Cost

Time for consideration and discussion on the endorsement of bonds to help cover the expense of six major civic improvements is drawing to a close. In just four days (On Tuesday of next week) citizens of Daly City will go to the polls to make a decision on one of the most important issues ever to come before this community.

Progressive leaders of the city anticipate an excellent turn out of voters on May 25 for this is a question of vital interest to every resident. On that day it will be determined whether or not this community shall keep pace with the rapid progressive strides of the entire San Francisco bay area.

ONLY 80 CENTS

The average Daly City home owner will have to pay only 80 cents per year in increased taxes in order to float the needed bonds. This exceptionally low rate is due to the fact that federal grants are now

PENGUIN CHORUS HIT FEATURE OF 'SWING PARADE'

Critics Agree Patter Dance Is Excellent Piece Of Individual Work

Interpreting the role of Eskimo in "Swing Parade," the musical revue at the Alcazar, Paddy Crowley with his patter dance and leader of the funny little penguin chorus, waddling into the igloo at the close of the number, has been acclaimed by critics as doing the finest individual piece of work in the show.

The parts of the little penguins are portrayed by Peggy Small, Hazel Furtado, Lee Hester McBride, Mildred Frye, Ellma Simoni and Marjorie Kamoku.

FIVE MAJOR PROGRAM EVENTS ARE SCHEDULED FOR DALY CITY DURING GATE SPAN FIESTA WEEK

Daly City Is Poised On Progress Brink

Daly City is poised today, as if in midflight, between a past that cannot be recaptured and a future that must be made.

Seldom have we had greater need of vision and courage. Our city, still immature, finds itself compelled to re-examine and transform institutions and ideas which have for the past two decades retarded its rapid and vigorous growth. We must NOW choose to mark time or go rapidly forward.

Would you be willing to pay 80 cents per year for the six proposed improvements worth $217,830 in stone, steel and wood—and thousands of dollars more in intangible values? Of this sum $102,830 will be given Daly City by the federal government as an outright grant. This amount will not have to be repaid—it is a virtual Christmas present.

Parade, Concert, Costume Ball, Theater Party And Cornerstone Ceremonies

With five major community events featured on its program, the Daly City Golden Gate Bridge Fiesta celebration promises to be one of the most exciting events ever held in Daly City. Street decorations, local merchant displays, and general fiesta spirit among residents will add to the success and color of the local celebration.

PROGRAM

The program follows: **May 23,** laying of the cornerstone at the Jefferson Union High School gymnasium with Dr. Walter Dexter, state superintendent of schools, as guest speaker and queen contest candidates in attendance.

May 24—An automobile parade will be staged, starting on Mission street at the county line at 7:30 p. m. It will follow the Daly City band and proceed over all local streets to terminate at the city hall for a mass meeting on the current bond issue question.

May 25—Plans are completed for a progressive civic program and a band concert at this time. This will be held at the city hall at 8:00 p. m. Returns of the bond election will be tabulated.

May 28—A gala costume ball will be held at the city hall. All queen contest entries will reign over this affair. An excellent turn out in colorful costume is anticipated.

June 1—At a beautiful coronation ceremony the queen of Daly City, as determined in the present city wide contest, will be presented with a gold crown. This ceremony will be a part of the gigantic midnight show to be held in connection with the general Daly City fiesta on that night.

The queen contest was closed to new entries, Monday evening of this week. A complete list of all candidates may be found on page 7.

In addition to participation in all local fiesta events the queen candidates will enjoy attendance at a number of the main San Francisco celebration festivities.

Mayor Introduces Queens At Theater

Mayor Paul Selmi introduced eighteen of the attractive entries in the Daly City Golden Gate Bridge Fiesta queen contest, last Saturday evening, at the Daly City Theater. The mayor urged local interest and support for these young ladies. At the close of announcements about the local celebration and the introductions each young lady was presented with a colorful corsage.

Set Up Precincts For Bond Election

Letters were sent to all Daly City voters last week informing them of their precincts and voting places for the important improvement bond election, May 25. At this time Daly City will have the opportunity of endorsing the floating of $115,000 in bonds. This amount, generously supplemented by a government grant of $102,830, will give Daly City six long needed civic improvements —a new library, a new city hall, a playground centrally located in the Crocker Tract, development of the Vista Grande Park, extension of the fire alarm and water systems.

VOTING PLACES

There are seven precincts in all:

Consolidated Voting Precinct A; polling place: Company No. 5 Firehouse, Bellevue avenue.

Consolidated Voting Precinct B; polling place: Company No. 4 Firehouse, Peoria street.

Consolidated Voting Precinct C; polling place: Mrs. M. Rancatore's place, 99 Evergreen avenue.

Consolidated Voting Precinct D; polling place: Company No. 1 Firehouse, Santa Barbara avenue.

Consolidated Voting Precinct E; polling place: Company No. 2 Firehouse, Vista Grande avenue.

Consolidated Voting Precinct F; polling place: Company No. 3 Firehouse, Westlake avenue.

Consolidated Voting Precinct G; polling place: Company No. 6 Firehouse, Werner avenue.

Back Up Your City Council By Voting For Improvements

The members of the city council sometime ago conceived and inaugurated a program of six civic improvement projects and are to place them before the citizens for approval.

The Record believes this city has too long suffered stagnation through inertia of its citizens in securing civic improvements. We believe the time is ripe for adoption of the proposed bond issue to carry to completion these vital necessities and strongly urge every citizen to cast a favorable ballot for everyone of the six proposals.

It is imperative that favorable action be taken now, while federal aid in a generous grant can be had, because it is understood the government may at any time cease to continue aid in support of projects of this nature.

The improvements proposed are an imperative necessity, as fully explained in the three page advertisements printed in this issue.

A new library, new city hall, playground centrally located in the Crocker Tract, development of the Vista Grande Park for recreational purpose, the extension of the municipal water system, and adequate fire alarm system in the southern portion of Daly City have long been needed and should now be brought to a successful culmination.

Again we urge every citizen to cast a favorable ballot for each of the six proposals at the coming bond election on Tuesday of next week, May 25.

City Council Asks Expression On Issues From All Citizens

After careful forethought we presented to this city the proposals that six major civic improvements be made, NOW, while federal and state money is available in generous support of community betterment plans.

Every one of these improvements are badly needed by Daly City. We have an unprecedented opportunity now to see this community stride forward. We feel that the endorsement of all six of the projects will make Daly City a better place in which to live and trade.

Everyone of the six projects is essential to our welfare. City business cannot be conducted efficiently until a new city hall is erected. Our library is crippled by lack of space. Our children lack proper parks and recreational facilities. Both the fire alarm and the water systems are inadequate to the present size and future growth of our community.

We hope and trust that every resident of Daly City will go to the polls on May 25. Let's have the largest turn out of voters in the history of Daly City. This is a vital issue—it means the future life of our community.

We, the Board of Councilmen, desire that ALL Daly City citizens give a genuine and thoughtful expression of their attitude toward the civic improvements.

Signed: Mayor Paul G. Selmi, Councilmen Edmund Cavagnaro, John Fahey, Henry Sunderman and Julius Twesten.

QUEENS OF DALY CITY FIESTA

First row—left to right: Ferne Crawford, Lorraine Norton, Doretta Wilson, Edith Shiffman, Lena Bertini, Mary McLean, Dolly Christian, Pat Schoening, Alma Smith, Hilda Nelsson.

Second row—left to right: Eleanor Hutchings, Winola Ford, Virginia Orr, Dorothy Goldberg, Irene Plumere, Louise Hair, Jean Lemoine, Louise Goode, and Ruth Banfield.

Third row—left to right: Kathleen Core, Lorraine Heim, Lena Gamba, Agnes Willer, Evelyn Taylor, Florine Johnson, Eleanor Price, Caroline Woodside, Blanche Preciedo, Alma Baumeister and Pearle Cain.

Here they are! Thirty of the most lovely and popular local girls. They're candidates for the queenship of the Daly City fiesta celebration. Fun and activity is theirs and many contacts with interesting people. During the fiesta they will attend parades, balls, gala affairs, and will often be publically introduced.

These young ladies are out for a good, lively time, but they are also serious minded. They are interested in the welfare and progress of their home town. Sincerely, they ask you, "Will you please take interest enough in our community, Tuesday of next week, to go to the polls and vote for ALL the improvement bonds?"

LEGION POPPIES TO GO ON SALE MAY 28 AND 29

Needy Disabled Men Given Employment Making Symbolic Flower

On Wednesday of this week Daly City Unit No. 410 American Legion Auxiliary, met in regular session. The business of the meeting pertained to the poppy sales which will be held on May 28 and 29. The little red paper flowers were displayed and each member took her quota when the meeting was over.

Poppies were received from Palo Alto Facility where many patients have been busy for weeks making them, each disabled man hoping to receive enough money to pay living expenses for him or his family for the next few months. Only by wearing these poppies on Memorial day can these World War veterans be assured of this security. Only disabled men who are in real need are given employment making these flowers.

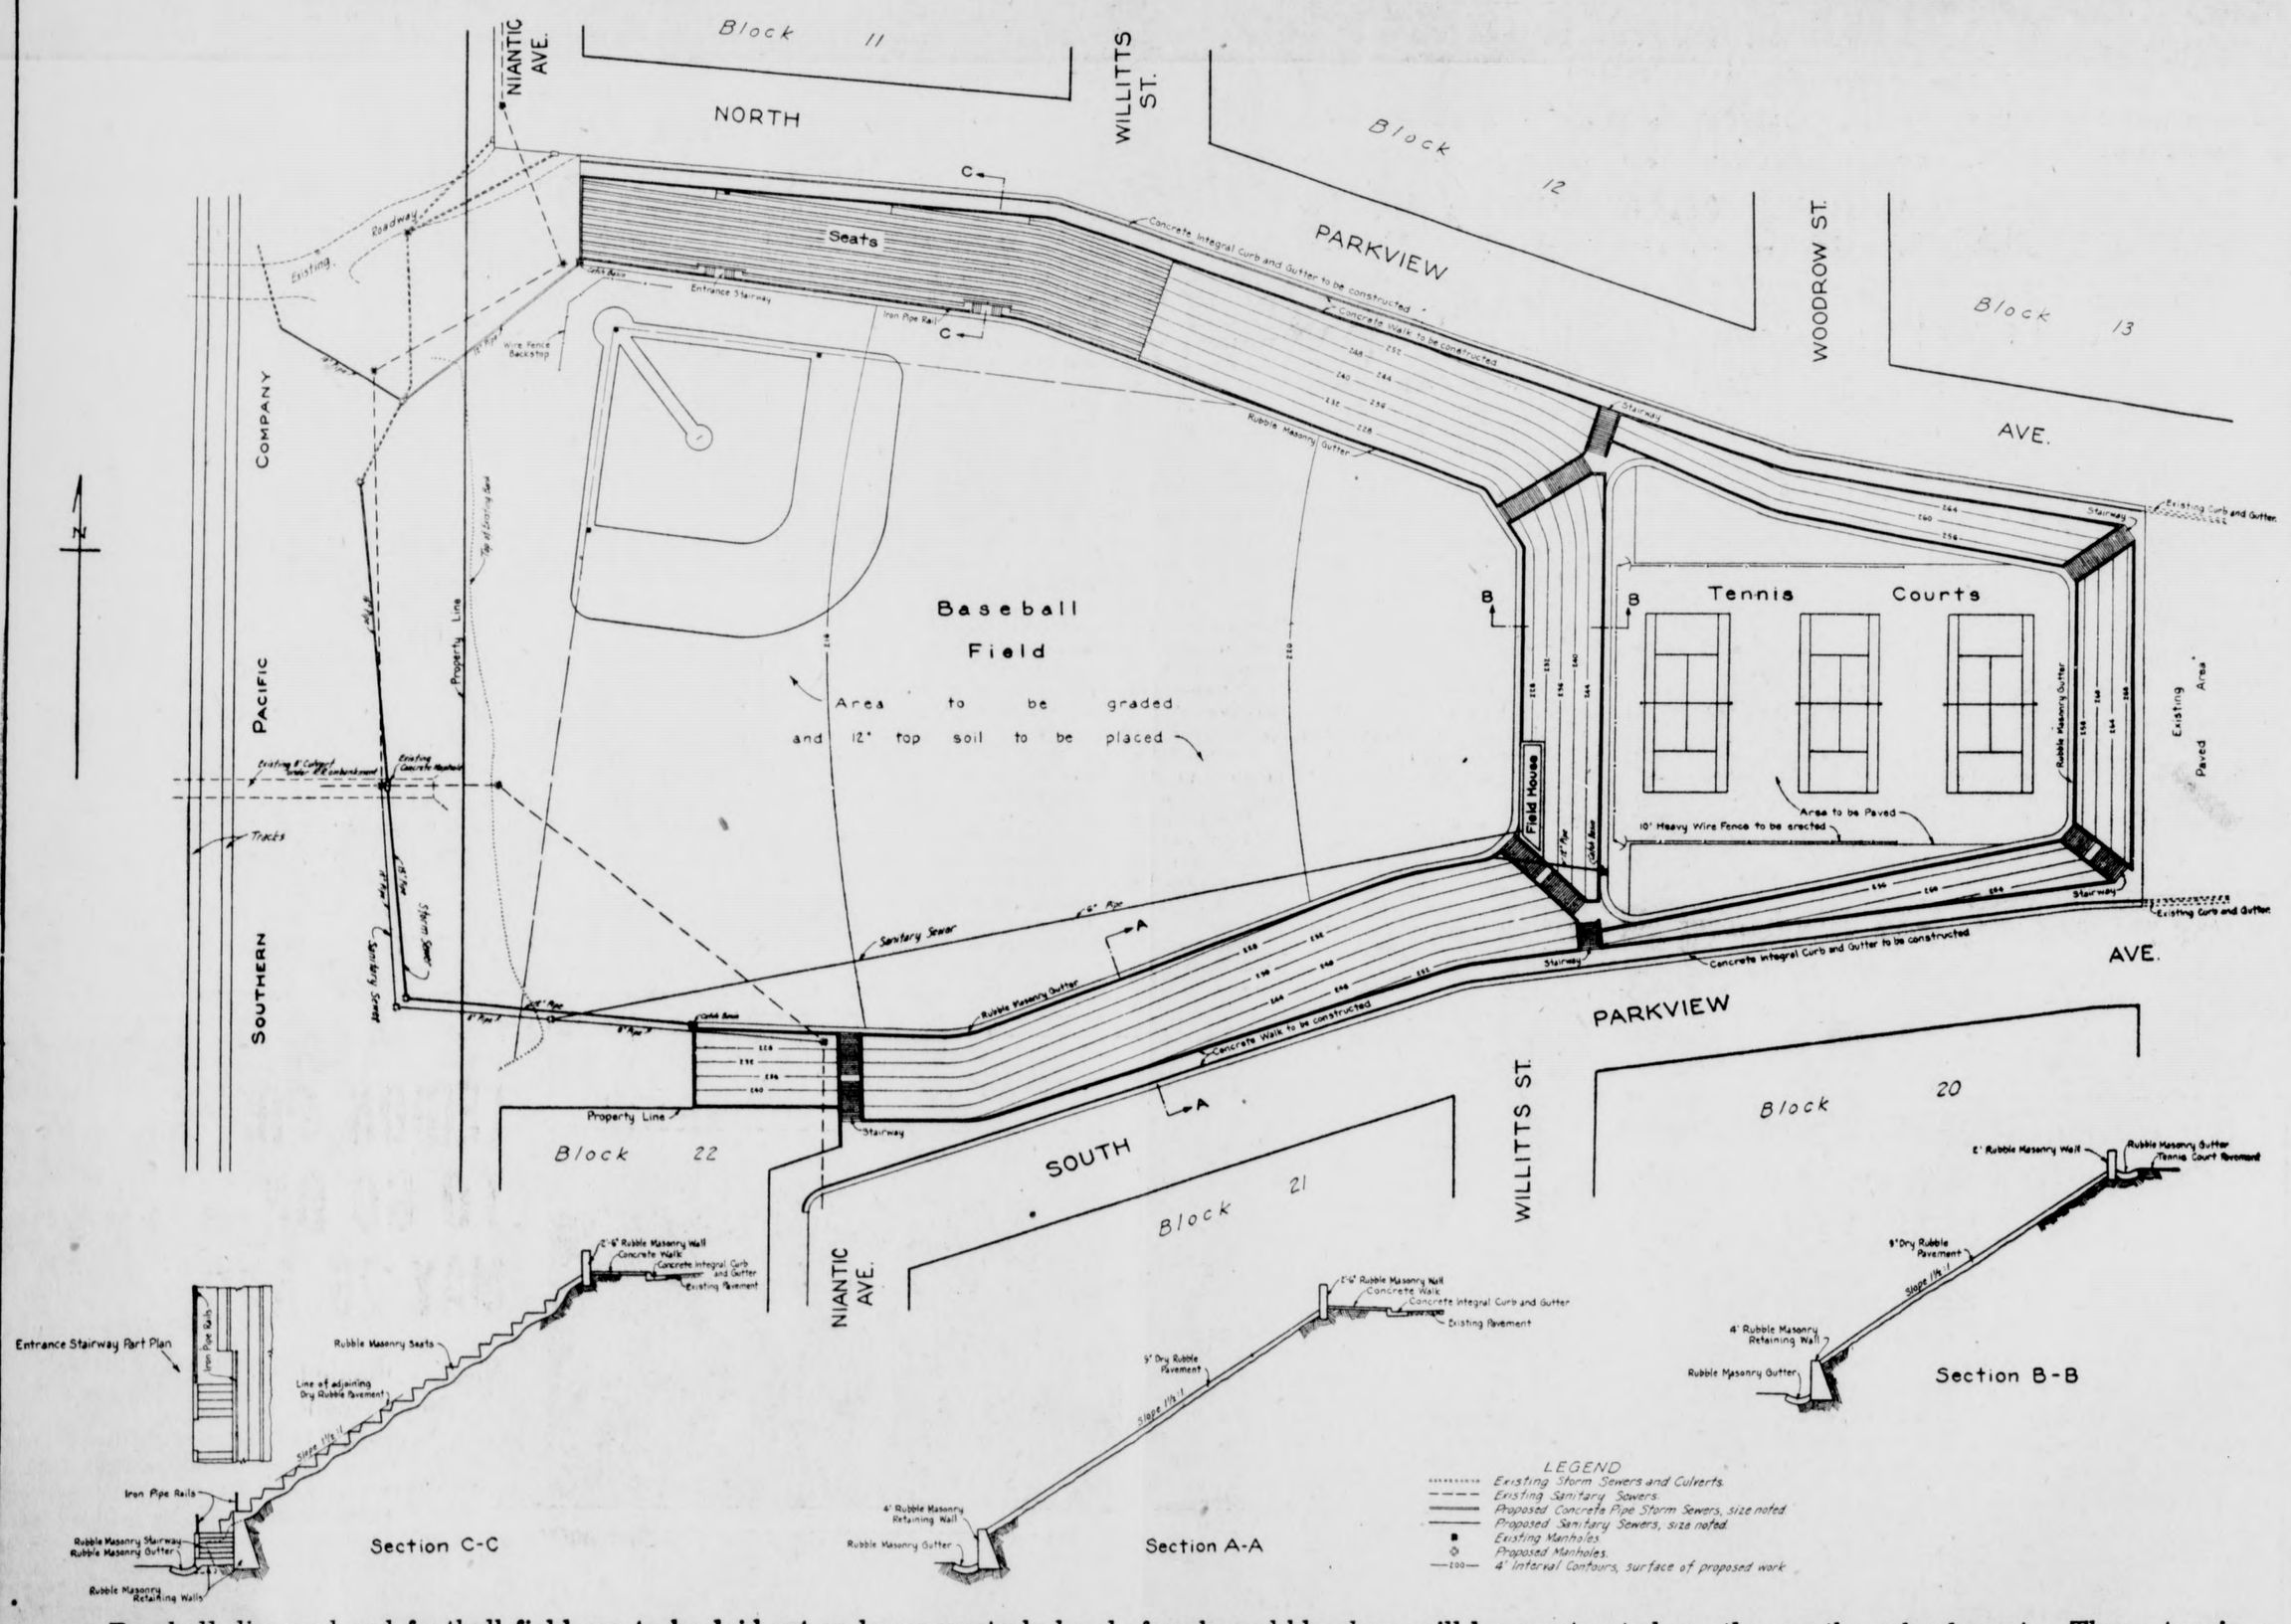
A child darts into the street after a ball—an oncoming car swerves sharply and rubber tires squeal across the pavement — There is a sickening impact — A mother screams, terrified, as she rushes to the prostrate form of her child who has been hurled to the street, injured, possibly fatally.

That is what may happen in a community which does not provide parks and playgrounds for its children.

Below is the solution to the problem which now exists here in Daly City.

The Vista Grande Park, along with the proposed playground area centrally located in the Crocker Tract, will give adequate recreational facilities for local children.

DIAGRAM OF IMPROVEMENTS WHICH ARE PLANNED FOR THE DEVELOPMENT OF VISTA GRANDE PARK



Baseball diamond and football field are to be laid out on lower westerly level of park, and bleachers will be constructed on the north embankment. Three tennis courts, which may be lighted for evening play, are provided on the second level at the middle portion of the park. Dressing quarters will be available at the field house. On the eastern apex (an area not shown in this diagram) there will be developed a well equipped playground. The entir e park site will be landscaped with turf, shrubbery and trees.

Colma News Notes

Mrs. Oliver Cecchi, accompanied by her infant daughter, Darlaine, were taken to their home on Moltke street, Monday of this week, from Mary's Help Hospital in San Francisco. Both mother and daughter are reported doing nicely.

Mr. and Mrs. Matt Cortesi entertained a number of friends, Wednesday evening of this week, at a dinner party given at their home in San Francisco. Those present were Mesdames and Messrs. Joseph Bruno, Fred Silicani and daughter Miss Doris, Adolph Schenone and Frank Rauh.

Captain and Mrs. Paul Perussini and son of Burlingame were guests of Mr. and Mrs. W. Riccomi, Thursday evening of last week, at their home on San Pedro road.

Miss Ruth Biggio of San Pedro road accompanied a group of San Francisco friends on a long hike to Muir Woods in Marin County, Sunday of this week.

Miss Ruth Greene of Bryant street spent an enjoyable day, Sunday of this week, at Hunters Point in San Francisco with Mr. and Mrs. John De Perrio.

Mr. and Mrs. J. Weimert's small daughter was christened Janice Dale at a ceremony, Sunday of this week, at Holy Angels Church. God parents were Miss Alvina Jost and William Jost.

Mrs. John De Perrio, accompanied by Miss Ruth Greene, recently spent a pleasant visit with Mrs. De Perrio's mother, Mrs. Josephine Lindsay, at her home in Spreckles. Their trip was made via the new stream line limited.

available and will be supplied on the application of this city for aid in its civic betterment plan.

Federal and state grants, if utilized now, would cover nearly one-half, or $102,830, of the total costs. Daly City has only to supply $115,000 to complete the necessary sum of $217,830, total cost of all six projects.

OPPORTUNITY NOW

At no other time in the history of Daly City has federal money been available in such generous amounts for these proposed projects. NOW is the opportune moment for Daly City to carry on its expansion program, according to all civic leaders and thoughtful citizens. Probably not again will such generous federal and state aid be extended to this community.

The six projects, when completed, will bring Daly City into the category of one of the most progressive neighbors of greater San Francisco. A new city hall will not only add to civic prestige; it will also allow city business to be carried on efficiently, speedily and economically; unimpared by close quarters. A new library will extend the cultural advantages to be enjoyed in Daly City.

The acquisition of a playground in the crowded Crocker Tract will be a stride toward adequate child welfare here. The development of the Vista Grande Park will provide needed recreational facilities for children and adolescents. A modern fire alarm system in the southern portion of the city will decrease insurance rates. Extension of the water system will give improved service to residents of the southern section of Daly City now and will be a source of revenue to the city for years to come.

Miss Betty Camenzind of Bryant street accompanied a group of her friends, Saturday of last week, on a hike to Joe's Place in Muir woods.

Paul Camenzind of Bryant street motored to Big Basin, Saturday of last week, where he spent the week end as the guest of Mr. and Mrs. E. Marshall.

ANOTHER COLLAPSE APPEARS UNLIKELY

By J. W. MARCHBANK
Pioneer in Frontier Mining Work

With business conditions in general extremely satisfactory it is expected a solution can be found for keeping the ship of state on an even keel. Economy in administration of the federal government is necessary but no drastic action in the way of cutting down provision for the unemployed should be taken.

Business profits for the first quarter of this year ran nearly 50 per cent higher than in the corresponding period of last year. At the same time prices fell in the stock market. A broad view of the situation leads to the conclusion that the decline came from reports of the various restrictive measures planned at Washington.

It should be kept in mind President Roosevelt intends to slash the budget by 10 or 15 per cent and to hold relief expenditures down as much as possible. Another factor in decline in the "market" was the announcement of higher reserve requirements for the member banks of the Federal Reserve system.

It was recently remarked by an economist that nearly everyone agrees that economy should take effect somewhere else than on his own pet project. "Team work" should be the slogan of all instead of everyone thinking only of himself.

The President is hopeful a beginning can be made out of funds now on hand in the carrying out of plans for housing of families with small incomes.

One thing that may be forgotten in devising new taxes is that people with small incomes pay heavily through indirect taxes, which constitute about two-thirds of the total tax revenue.

The Interstate Commerce Commission is seeking changes in the Interstate Commerce Act to protect investors in railroad securities. After a long study of the operation of the New York, New Haven & Hartford Railroad Company, the commission formulated a number of recommendations.

The commission asks for authority over all investments made by the railroads. In this connection the commission says:

"The resources of a railroad company ordinarily should be devoted to the proper development of its own system. If they are to be invested in an outside activity it should be after a finding that such investment constitutes a proper use of railroad funds or credit, that the terms of the transaction are reasonable, and that the investment is in the public interest. The rule should apply equally to subsidiaries."

Reorganization of the Supreme Court is strictly constitutional, according to high authorities. Not so long ago Professor T. R. Powell of the Harvard Law School said:

"There is a curious paradox about the proposal. It involves the least interference with existing judicial power of any suggestion that has been made. The present holders of judicial office are given helpmates to add fresh viewpoints to their counsel."

Fiesta Committees To Tabulate Votes

Honorary and general committees for the Daly City Golden Gate Bridge celebration have announced the closing of the queen contest, sponsored in connection with the festivities. Thirty-two attractive young ladies of Daly City are working for the coveted crown to be presented at the gigantic midnight show, Tuesday, June 1.

Both the honorary and general committees will supervise the tabulation of queen votes at the Daly City Fiesta Office, 11 Hillcrest, on the evening of May 31 and morning of June 1. Outcome of the contest will not be publically announced until the coronation at the midnight show. The honorary committee is composed of Mayor Paul Selmi, Professor James Ferguson, and Editor W. E. Pitschke; the general committee includes Albert H. Boynton, A. Milo, and Henry Warshawski.

SOUTHERN TRIP

The Daly City girl who is presented with the crown of fiesta queenship will receive, in addition to local honors, a trip to southern California. She will reside at the Ambassador Hotel, see Hollywood and Los Angeles and tour the major movie studios. She may also visit beautiful Catalina Island. For one week she will live as true royalty.

The fiesta committees urge local support for these young ladies, who are valiantly doing their part to make the Daly City Golden Gate Fiesta celebration a success.

NATIONS MEET

Chinatown, the Italian quarter nestling round Telegraph Hill and Fishermen wharf and all the other foreign sections of cosmopolitan San Francisco will be decorated in festive raiment for the Golden Gate Bridge Fiesta, May 27 to June 2.

Lesson Sermon Of Christian Science

In all Christian Science churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., a Lesson-Sermon will be read Sunday, May 23, on the subject "Soul and Body."

The Golden Text will be: "Rejoice the soul of thy servant: for unto thee, O Lord, do I lift up my soul" (Ps. 86: 4). Bible selections will include the following passage from I Corinthians 6: 19, 20: "What? know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, and ye are not your own? For ye are bought with a price: therefore glorify God in your body, and in your spirit, which are God's."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will also be included, which reads as follows: "When we realize that Life is Spirit, never in nor of matter, this understanding will expand into self-completeness, finding all in God, good, and needing no other consciousness. Spirit and its formations are the only realities of being" (p. 264).

Jeff Hi Track Star Goes To State Meet

Jefferson Union High School will receive state-wide recognition in track competition tomorrow when Francis Olson, star half miler, will compete in the annual California Interscholastic Track and Field Week to be held at Long Beach. Olson earned the right to run in this meet by placing third in a field of 29 good half-milers at the North Coast Section track meet held at Stanford Stadium, Saturday of last week.

Speedy Buzzy Wright, local sprinter, placed in his heat of the 220-yard dash to become eligible for the finals along with seven other men out of a field of eighteen runners. Although Wright failed to place among the first four, he gave a good account of himself.

EXPERIENCED HOUSEWIFE CLUB

(By Maude Larue Ives)

SPANISH STEW

(From Mrs. John Kinsey)

1 pound round steak (ground), 2 cups bread crumbs, 2 eggs, 1 teaspoon salt, ¼ teaspoon pepper, 1 large onion (minced), 2 cups tomato (2½ size can), 1 carrot (chopped fine), 2 green peppers (chopped fine).

Mix steak, crumbs, eggs, seasonings and large minced onion. Form into small balls ½ inch in diameter. Drop into mixture of remaining ingredients. Cook slowly about 1 hour. Add water if there is not enough liquid. Serves 6.

DANDY POTATO CANDY

(From Mrs. A. Meeth)

Take 3 tablespoons of mashed potatoes, 1 teaspoon of vanilla extract, and work in sufficient powdered sugar to make a stiff dough. Roll out and cut with a small cutter. Place half a walnut on each candy or, if liked, coat with melted chocolate and roll in chopped coconut. Chopped figs and dates may be added if desired. Flavor with your desired flavoring. The recipe calls for one teaspoon of vanilla extract for the amount mentioned above, but I usually leave my flavoring to add at the last, using a few drops of whatever flavor I desire and using a different flavor for each portion of the candy mivture. Although this candy owes most of its flavor to the humble potato, it is really delicious.

PEANUT COOKIES

(From Mrs. John Kinsey)

¾ Cups shortening, ¼ cup peanut butter, 2 cups sugar, 3 eggs (beaten), 3 cups bread flour, ¼ teaspoon soda, 1 cup chopped peanuts.

Cream shortening, peanut butter and sugar together until light. Add beaten eggs. Sift flour and soda together, mix with peanuts, then add, mixing thoroughly. Take bits of dough, roll between hands, press flat on bake pan with tines of wet fork. Place about one inch apart on well greased pan. Bake 10-15 minutes in moderate oven (350 degrees).

HERMITS

(From Mrs. Amelia Lewis)

1 Cup sugar, ¾ teaspoon each of cinnamon, allspice, nutmeg, ¼ teaspoon cloves, ½ teaspoon salt, 1 large egg, 2 tablespoons molasses, ½ teaspoon soda dissolved in ¼ cup of cold coffee or water, ½ cup of butter and lard melted, 1 small cup washed raisins. Mix in order given and drop on greased pan, about a teaspoon full. Shape with wet knife and bake about 10 minutes in a medium oven.

Make Daly City up to date. Work for the civic improvements.

Right Hand Passing Strongly Condemned

An urgent appeal was made to motorists this week by the California Highway Patrol to avoid passing other vehicles to the right on open highways. This practice, resorted to in an attempt to gain a few seconds time, is condemned by the state patrol because of the deaths and accidents caused by such illegal passing.

The danger is greatly increased at night because of narrow roads, soft shoulders and concrete culvert abutments, which often bring disaster to the hasty driver.

Numerous wrecks, it is stated, have been also caused between innocent drivers who have been forced to swing over beyond the center of the pavement by the motorists who pass to the right.

"It is better to wait a few seconds and pass legally and when it is safe," said the patrol chief. "Certainly nothing is gained if some one is injured or killed by such practice."

A fine of $50 or 10 days in jail is the maximum penalty provided in the Vehicle Code for violation of the provision which prohibits right hand passing on open highways and on city streets which do not have sufficient width for two or more lines of moving traffic in each direction.

TRADITION BACK

Minstrel performers caught the fancy of the pioneer gold seekers who flocked to San Francisco for entertainment. Lotta, Johnny De Angelis, Ned Harrigan, Patti Rose, Charlie Reed, Joe Murphy are big names in early theatrical history.

These traditions will be vitalized in the streets of San Francisco during the Golden Gate Bridge Fiesta, May 27 to June 2, which celebrates completion of the longest single span in the world.

NOTES ON OUR ELEMENTARY SCHOOLS

Within the next month the state department, Division of Architecture will make a thorough inspection of the Woodrow Wilson Elementary School to determine its structural safety, it was announced this week by the local superintendent of elementary schools.

"The safety of school children is a paramount concern of school officials," declared the superintendent. "All other elementary school buildings in Daly City are strictly modern and their structural safety assures the welfare of pupils."

It is generally thought that the Woodrow Wilson School is entirely safe. However, the Board of Education want to check and correct any detail which may offer the slightest hazard.

Below is published a resolution requesting the safety inspection:

Whereas it is the opinion of the Board of School Trustees of the Jefferson School District that the welfare and safety of the pupils of the district is most important and

Whereas the recent school tragedy in Texas emphasizes the necessity of constant attention to the safety of school buildings, therefore,

Be it resolved that the Board of School Trustees request the state department, Division of Architecture, to survey the Woodrow Wilson Elementary School, 344 Santa Barbara avenue, and report on the structural condition of the above building.

Water Pump Nut

The water pump packing-nut should not be adjusted too tightly.

If a leak at this unit cannot be stopped with a reasonable amount of tightening, the nut should be removed and new packing material installed.

Get into the spirit of Daly City fiesta activity. Support one of the queen contestants.

Notice Of Election Of Elementary School Trustees

This election will take place on June 4, 1937.

Polls will be open from 6 a. m. until 7 p. m., at the Crocker School, Woodrow Wilson Elementary School and Jefferson School (Colma). One Trustee will be elected.

By order of the Board of Trustees of Jefferson School District, San Mateo County, California.

W. J. SWEENEY,
Clerk.
GEO. L. AUGUSTIEN,
Chairman.

PAL Championship Assured Jeff Hi

Jefferson Union High School baseball team practically cinched the P. A. L. baseball championship when they defeated the Palo Alto baseball team by the score of 4 to 3, Friday of last week, on the Indian ball diamond.

The Palo Alto diamond dusters arrived in Daly City with colorful uniforms and scored two runs in the first frame. It looked as if Jefferson was in for a bad time, but the Indians fought hard and managed to eke out a 4 to 3 victory.

The score in the sixth inning was tied at three all. In this inning Jefferson scored the winning run on a double by Haran, a sacrifice by Murray and a bunt by Cupman scoring Haran. Ed Owens then blanked the visitors for the rest of the game.

Jack Haran lead the hitters for the day with a triple and a double.

Jefferson has to win but one of the two remaining games to win the championship.

Zephyr Last Word In Stream Lining

Having definitely established the Lincoln Zephyr as the ultra in smart streamlining, its engineers and designers were not content to rest on past styling laurels.

As a result, visitors to the showrooms of the local Zephyr dealer, are lavish in their praise of the Lincoln Zephyr for 1937 and its creators.

The new Zephyr presents a substantially smarter appearance and features pleasing improvements in interior treatment.

The most completely stream lined car built in production volume, the frontal appearance of the "first anniversary" series of the Lincoln Zephyr V-12 has been refined. The distinctive sharp nosed radiator grill, with horizontal decorative strips of bright chromium, is topped by a flying wing ornament. Chromium strips also lend a striking outline to the hood louvres. Carrying out the new trimness of appearance, a body stripe is carried across the length of the car just below the belt line.

The interior of the car gives the effect of a cozy lounge with its smart new fittings. Deep divan seats are trimmed in a new pleated design. Upholstery is either broadcloth or cord. Door panels are bordered with narrow chromium strips. An outstanding feature of the 1937 Lincoln Zephyr interior is the instrument panel to the top of the transmission housing.

SWEEP BLOOD HELPS "CHAMP" WAR ADMIRAL

By J. W. MARCHBANK

That Brushup, dam of the stakes winner War Admiral, is a daughter of Sweep is of more than ordinary interest to anyone looking now and then into the fascinating problems of breeding. Sweep continued over a long period to be a successful progenitor of sons able to hold their own in the best of company and daughters of much value as broodmares. Incidentally it may be mentioned the stallion was 21 years old when he procreated Brushup.

For awhile it was quite the fashion to decry Sweep on the ground his progeny were nothing but sprinters. That kind of detraction is properly laughed to scorn these days. As a racer himself he achieved the distinction of finishing first, second or third in all of his starts. Scoring in the Belmont and Lawrence Realization demonstrated the brown son of the bay Ben Brush was a stayer and held promise of siring runners which could gallop both fast and far.

Since the coming of Sweep's son Sweepster, a bay similar to his grandsire Ben Brush, to Heather Farm, naturally my interest in the stallion has increased. Sweepster, owned by the successful breeder and sportsman, H. C. Hatch, did notable things while in Eastern Canada and in Kentucky and may be expected to go right on turning out winners here in California.

The foals at Heather Farm this season number twenty, ten colts and ten fillies. Among my twelve are four fillies by Sweepster. In the Hatch band the only Sweepster is a filly. I have high hopes the misses will develop into worthwhile performers on the race course and later will become matrons of a class approaching that of daughters of Sweep.

There will be plenty of Domino blood in the union of Sweepster and Heather Farm mares, especially those having King Heather as sire. There seems to be no reason for misgivings on that score, however, as Domino blood shows no sign of losing its potency. Sweep, it will be recalled, is from Domino's daughter while King Heather is an inbred Domino.

Pundits note, too, that Sweepster is from the Rock Sand mare Oktibbena. War Admiral gets Rock Sand blood from Mahubah, dam of his sire, Man o'War. It would be hard to find a better strain than that of the Triple Crown winner.

TEST LIGHTS OFTEN

The cards are stacked against you when you drive at night with inadequate headlights, it is declared by experts.

Also, you take unfair advantage of all other users of the highway.

Test your lights frequently. Make sure the vibration of the car has not changed the tilt or focal adjustment of the lights; that it hasn't loosened one of the bulbs.

HERE'S WHAT MR. H. J. HURTT SAYS: *"I looked at all the cars in Chrysler's price class and I think the new Chrysler Royal is by far the biggest value in the field. It has more power than the average motorist would ever need and the ride is the smoothest, most silent I have ever experienced. My wife is delighted with the roominess of the car."* H. J. A TALE OF TWO CITIES

With Apologies to Charles Dickens

YOU see here a picture of two towns. One tells a story of growth—activity—prosperity. The other suggests stagnation—inertia—slow decay.

Go away from one of these towns for five years and you hardly know it when you return. Everywhere are new buildings, factories, homes. Return to the other after an absence of years and you find it practically unchanged.

Why does the one town forge ahead while the other sleeps peacefully on? Because in one place the citizens have the spirit of civic advancement. They're out to see that their community makes use of every opportunity to become a better place in which to live and trade.

Daly City residents have an unprecedented opportunity to give their community a place in the sun. At one stroke they may insure six needed major civic improvements.

At the amazingly low cost of 80 cents per home per year local people may enjoy a new city hall, a modern library, a playground for children of the community in the Crocker Tract, recreational facilities in the lovely Vista Grande park, and more efficient water and fire alarm systems.

This is no time to quibble! This is a time for action; for enthusiastic support of issues which mean new life to Daly City. Get out and boost for every one of the improvements.

Remember, your home town is the goose that lays the golden egg. Don't kill the goose. Feed it well by making Daly City a better and more inviting place in which to live and trade.

STAND OUT FOR CIVIC BETTERMENT—May 25

Moral: The Best Comes To Those Who Work For It!

We're Pulling For The Old Home Town

Bleow are listed Daly City organizations, many of which have officially endorsed the current civic improvement program. Several of the organizations did not have an opportunity to meet and take definite action on the issue. However, members of these groups have expressed enthusiastic support for the improvements.
